

**WHOLE PERSON, WHOLE FAMILY, WHOLE COMMUNITY
ASPECTS OF WELL-BEING**

Use is granted, as long as the entire page, including credits, is used.
This wholeness/wellness model was evolved by Diane Brandon through the study of many other versions.
Graphic image by River Brandon. Addition of the cultural dimension was suggested by Jacquelyn Brenner.
Development of uses of the model were supported by Lyndon State College, Plymouth State College, FIPSE, York Hospital, and the Community Wellness Coalition.
