

## Accomplishments

---

The Senior Leadership Coalition identified needs for assistance among isolated older adults, leading to the development of volunteer assistance with grocery shopping as well as other support services.

Prior to the advent of the 2-1-1 resource information line, the SLC developed and distributed town-specific basic resources and assistance guides for older adults in southern York County.

## Senior Leadership Coalition

Southern York County,  
Maine

---

**Meetings are open to older adults, service providers, and other interested people in the community.**

## Mission Statement

The Senior Leadership Coalition is a partnership between older adults and service providers in the towns of York, Eliot, Kittery, the Berwicks, Wells, and Ogunquit, Maine.

The overall mission of the SLC is to be a collaborative network which facilitates ongoing connections between local older adults and local service providers, and among providers, to

- identify and assess needs of older adults
- identify and promote awareness of existing resources
- develop appropriate resources to address unmet needs

## Meetings

The Senior Leadership Coalition meets on the second Monday of every other month. At the meetings, local citizens and professionals share information and work on goals that benefit seniors and their quality of life.

The Southern Maine Agency on Aging provides staff facilitation for all meetings. Meeting locations may change and all changes are announced via an email list maintained by the Southern Maine Agency on Aging, with support from the Community Wellness Coalition.
